

FB Series Fluorescent Pigment MSDS  
According to regulation (EC) No. 1907/2006 (REACH)

2023 Material Safety Data Sheet – 1

NOT Hazardous according to criteria of Work-safe

Date of Issue: 1st January 2023

Date of review: 31st December 2023

**1. Identification of the Substance/Preparation and of the Company/Undertaking**

**Product details**

Name: FB series (RY50/RO50/RG50/RP50)

**Application of the substance**

Textile printing colour paste, as well as in water-based coatings.

**Hazards Identification**

Information concerning particular hazards for human and environment:

No hazardous to Human & Environment according to GHS Hazard classification

**Composition/information on ingredients**

Chemical Identity:

1-melamine formaldehyde resin 49%

2- Dyestuff 1%

3- Calcium Carbonate 50%

**First-aid measures**

**Health Effects** - Acute

**Swallowed** - No adverse effects known. It is considered to be non-toxic.

**Eye** - It is considered to be non-toxic. Can cause irritation.

**Skin** - It is considered to be non-toxic. Can cause irritation.

**Inhaled** - No adverse effects known. It is considered to be non-toxic.

**Health Effects** - Chronic - No data available

**Swallowed** - Induce vomiting. Give water to drink. Call a physician.

**Eye** - Flush with water for 15 minutes. Call a physician.

**Skin** - Wash with soap and water.

**Inhaled** - Remove to fresh air. Treat symptoms.

**First Aid Facilities** - Ensure an eye bath and safety shower are available and ready for use.

FB Series Fluorescent Pigment MSDS  
According to regulation (EC) No. 1907/2006 (REACH)

2023 Material Safety Data Sheet – 3

**Stability and reactivity**

Thermal decomposition/conditions to be avoided  
Stability, - Strong oxidizer, strong acid, and strong base not allowed.  
Avoid the moist environment.

**Toxicological information**

Ensure adequate ventilation maintain exposure levels below applicable workplace standards.

**Ecological information**

N/M

**Disposal considerations**

Product:  
Recommendation  
Hand over to hazardous waste disposers. Dispose in accordance with federal, state and local regulation  
Uncleaned packing:  
Recommendation:  
Empty contaminated packing thoroughly. They may be recycled after thorough and proper cleaning.

**Transport information**

UN No. N/A  
Class None Allocated  
Sub Risk None Allocated  
Hazchem Code N/A  
Pack Group 0  
EPG No. N/A  
Shipping Name FLUORESCENT PIGMENT FB SERIES (RY50/RO50/RG50/RP50)  
Hazard  
Package: 5.0 Kg or 2.5 Kg Plastic container (Polythene sack outer) placed corrugated cardboard box.  
The product does not constitute a hazardous substance in national/ international road, rail, sea and air transport.

**Regulatory information**

This product does not belong to the 6.1 toxic chemicals.

**Other information**

No adverse effects are known.
